Dear Potential Graduate and High School Staff:

Re: Scholarship for Post Secondary applicants--2020-2021

Rotary Clubs internationally believe in "**Service Above Self**;" and as such, The Rotary Club of Moose Jaw is offering Moose Jaw high school students an opportunity to apply for a scholarship to aid in furthering the post-secondary costs for the school term of 2020-2021.

Our club is offering a **maximum of three \$1,000 scholarships** to Moose Jaw students. A variety of post-secondary institutions qualify (not just universities). Applicants are asked to provide all the information requested on the attached scholarship application form. Each candidate is to answer questions to the best of one's ability and to follow the instructions completely (including the provisions for the requested documents).

Applications must be **received no later than May 15, 2020**; and finalists may be requested to attend an interview. Winners and schools will be contacted by June 2, and the winners will also be acknowledged when they attend a Rotary luncheon. The actual monies will be forwarded to the applicable post-secondary institutions.

The Rotary Club of Moose Jaw looks forward to receiving the applications from interested Moose Jaw students. If you have any questions, please feel free to direct them to:
rjbarber@sasktel.net.

Respectfully,

Members of the Scholarship Committee
