We hope that your students will consider joining us for this Lunch & Learn, but if that is not possible, the event will be recorded and uploaded to our You Tube Channel to be viewed at a later date. To access the live zoom presentation, the link will be found on our homepage at www.rdiec.ca . There will also be another link found at www.rdiec.ca for a very short survey that we ask all students to complete. The purpose of the survey is to provide feedback to our presenters and also help us organize future spotlights. Thanks so much for your promotion of this awesome event.
