

EVENT INFORMATION

On behalf of the Saskatoon Industry-Education Council (SIEC), we invite you to join our virtual mentorship event, **CONNECTED: Young Women Exploring Careers**. If you are not sure what you want to do after high school or would like to “pick the brains” of women who are well into their career, then this event is for you!

CONNECTED links high school females with women mentors from a vast spectrum of career backgrounds. We believe that young women need access to adult role models who are willing to share their stories and career pathways. Ultimately, promoting a culture of support and empowerment among young women as they navigate their preferred future. We welcome students pursuing all post-secondary pathways: work, university, college or apprenticeship and those who are still deciding.

Typically, we host this event as a dinner. Throughout the evening, the students were seated with other female students as well as several “mentors” from our community who shared their career journey. Unfortunately, this year, all of our events will look very different, as we will have to host them virtually. However, the students will still hear the stories, career goals, and life lessons from the mentors, and share their own future plans. Our virtual **CONNECTED** event will empower and create connections between successful women and young females.

We hosted a **CONNECTED** event in the fall and have decided to offer a second event to provide further networking opportunities with women in a specific area of interest.

These events give young females the opportunity to:

- Receive career advice and guidance from professional women
- Develop career connections
- Explore various career options

Date: Thursday, May 13

Time: 4:30 - 6:00 pm

To Register, scan the QR Code on the **CONNECTED** poster

OR

Apply Online @ www.saskatooniec.ca/connected

REGISTRATION DEADLINE - Thursday, April 29, 2021

Spots are limited so apply early!
