Dear Potential Graduate and High School Staff:

Re: Scholarship for Post Secondary Applicants--2020-2021

Rotary Clubs internationally believe in "**Service Above Self**;" and as such, The Rotary Club of Moose Jaw is offering Moose Jaw high school students an opportunity to apply for a scholarship to aid in furthering the post-secondary costs for the school term of 2021-2022.

Our club is offering a **maximum of three \$1,000 scholarships** to Moose Jaw students, who can attend post-secondary institutions (universities or colleges) for varied career paths. Applicants are asked to complete the attached application form. Questions are to be answered to the best of one's ability while also following the instructions--including the provisions for the requested documents.

Applications must be **received via mail no later than May 15, 2021**; winners and schools will be contacted by June 2. Winners will also be acknowledged when they attend a Rotary luncheon if COVID restrictions allow. The actual monies will later be forwarded directly to the applicable post-secondary institutions.

The Rotary Club of Moose Jaw looks forward to receiving the applications from interested Moose Jaw students. If you have any questions, please feel free to direct them to rjbarber@sasktel.net.

Respectfully,

(per) Members of the Scholarship Committee
The Rotary Club of Moose Jaw
